

# Help your school win Marshfield's Phone Book Recycling Contest!

Marshfield's new phone books are delivered in November. Bring your old ones to school anytime from November 3 through 16. The school that recycles the most phone books wins an ice cream party!

**more paper.**

Help Marshfield save **cash** on trash

**It's easy!**

Find out how and why on back →→→

## PARENTS, DID YOU KNOW . . . ?

- Marshfield earns \$12.50/ton for paper that is recycled. This offsets your trash fee.
- Marshfield pays \$78/ton to dispose of trash that isn't recycled.
- Only about 33% of Marshfield's paper is recycled. The rest, about 4,000 tons/year, is going in the trash.
- The disposal cost is paid by your trash fee.

## All these paper products go in the recycle bin:

Newspapers	Junk mail & envelopes <i>-windows are okay!</i>
Magazines	Office paper <i>-staples/paper clips are okay!</i>
Phone books	<b>Shredded Paper in Clear Plastic Bags !</b>
Cereal type boxes	<b>Spiral Notebooks!</b>
Newspaper inserts	<b>Lottery tickets!</b>
Paperback books	Corrugated cardboard, flattened, 3'x3'

**more paper.**

Just put a paper bag near your trash can, wherever you read the paper and open your mail . . . and put them out with your green bin.

**It's easy!**
